

CM100DY-12H

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	cm100dy-12h
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.81 kgs
Voltage	600 V
Current	100 A
Power	400 W
Relay Specifications	600 VAC
Product Type	Module
Signal Type	600
Signal Level	600 V

Description

CM100DY-12H | Brand / Manufacturer: MITSUBISHI
