

CM200DU-24F

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	cm200du-24f
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	1200 V
Signal Level	1200 V
Product Type	Module

Description

CM200DU-24F | Brand / Manufacturer: MITSUBISHI
