

CM200DY-12NF

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Mitsubishi |
| Catalog number | cm200dy-12nf |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|-----------------------------|--------|
| Power | 650 |
| Product Type | Module |
| Current | 200 A |
| Signal Level | 600 V |
| Relay Specifications | 200 A |

Description

CM200DY-12NF | Brand / Manufacturer: MITSUBISHI
