

CM300DU-24NFH

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	cm300du-24nfh
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	DC
Current	300 A
Power	1.13
Temperature	150 °C
Horsepower	1.13
Cooling Capacity	1.13
Product Type	Module
Relay Specifications	300 A

Description

CM300DU-24NFH | Brand / Manufacturer: Mitsubishi
