

CM600HU-12F

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	cm600hu-12f
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	600 V
Product Type	Module
Current	600 A
Signal Level	600 V

Description

CM600HU-12F | Brand / Manufacturer: MITSUBISHI
