

CM75TU-24F

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	cm75tu-24f
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	DC
Current	75 A
Power	450
Product Type	Module
Relay Specifications	75 A
Signal Level	1200 V

Description

CM75TU-24F | Brand / Manufacturer: MITSUBISHI
