

F-40ER-ES

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	f-40er-es
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	3.13 kgs kg
---------------	-------------

Description

The F-40ER-ES module from MITSUBISHI is an advanced device weighing 3.13 kg, ideal for industrial automation applications. Its innovative design and high efficiency make it an excellent solution for systems requiring effective process management. It ensures reliability and precision in operation.
