Manufacturer	Mitsubishi
Catalog number	fcu6-fd221-1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Storage Capacity	1.44 MB
Disk Type	3.5-inch Floppy Disk
Cable Length	1000 mm
Dimensions	155 x 130 x 120 mm
Mounting Specifications	2 φ5 mounting holes, square panel cutout 109 x 31.5 mm

Description

The Mitsubishi FCU6-FD221-1 is a floppy disk unit designed for integration with Mitsubishi's MELDAS 600 series CNC systems. This unit facilitates the loading of machining programs, machine parameters, and data backups, ensuring efficient operation and data management within industrial automation environments.

Key features include a 1.44 MB storage capacity, compatibility with 3.5-inch floppy disks, and a cable length of 1000 mm for flexible installation. The unit's dimensions are 155 mm in width, 130 mm in depth, and 120 mm in height, with mounting specifications that include two φ5 mounting holes and a square panel cutout measuring 109 mm in height and 31.5 mm in width.

These specifications ensure seamless integration and reliable performance within Mitsubishi's CNC systems.
