

FR-A721-22K

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-a721-22k
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Temperature	22
Power	30
Signal Level	240 V

Description

Non standard items | Inverter | Inverter; Rated Power: 22kW; 3x200-240V; Rated Current: 90A; IP00
