

FR-D740-160-E8

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-d740-160-e8
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	400 V
Horsepower	10 HP
Signal Level	400 V
Current	16 A
Product Type	Inverter

Description

Non standard items | Inverter | Inverter; Rated Power: 7,5kW; 3x380-480V; Rated Current: 16A@50°C; IP20
