

FR-E520-0.2KN-60

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-e520-02kn-60
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	200 - 240 V
Signal Type	240
Signal Level	240 V
Horsepower	4 HP
Product Type	Inverter
Relay Specifications	240 VAC
