

FR-E720-0.75K-60

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-e720-075k-60
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	200 - 240 V
Frequency	50 - 60 Hz
Temperature	75
Signal Type	240
Signal Level	240 V
Relay Specifications	240 VAC
Current	8.2 - 5 A
Product Type	Inverter
