

FR-F720-11K

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-f720-11k
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	45 A
Power	11
Temperature	11
Horsepower	11
Cooling Capacity	11
Product Type	Drive
Signal Level	200 V

Description

Non standard items | Inverter | Inverter; Rated Power: 11kW; 3x200-240V; Rated Current: 49A; IP20
