

FR-F720-18.5K

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fr-f720-185k
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	70 A
Power	18.5
Temperature	5
Horsepower	18.5
Cooling Capacity	18.5
Product Type	Drive
Signal Level	200 V

Description

Non standard items | Inverter | Inverter; Rated Power: 18,5kW; 3x200-240V; Rated Current: 77A; IP20
