

FX2-48MR

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fx2-48mr
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Frequency	50 - 60 Hz
Voltage	85 - 264 V
Industrial Safety	plc
Signal Type	264
Signal Level	264 V
Relay Specifications	264 VAC
Safety Level	plc

Description

FX2-48MR | Brand / Manufacturer: MITSUBISHI
