

FX2NC-32EYT

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	fx2nc-32eyt
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.25 kgs
Material Number	305102
Business Area Code	F4
Product Category	FPLC
Pricing Group	F4 - FX others
Product Name	FX2NC-32EYT
Marketing Note [PL]	133.64
Class Code	100100102
Class Description	FA-COM PLC: Digital I/O Module
Sub Product Line	Compact PLC
Product Hierarchy Code	IAD203
Product Line	FX2N
Gross Weight (kg)	0.161
Gross Length (cm)	11
Gross Width (cm)	11
Gross Height (cm)	45
Customs Tariff Code	85437090
Country of Origin	JP
ABC Classification	C
Product Marketing Description	PLC, FX2NC Modular extension unit; 32 transistor outputs

Description

FX2NC-32EYT | Brand / Manufacturer: MITSUBISHI
