

GT1020-LBLW

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1020-lblw
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.07 kgs
Cable Specification	160 × 64
Signal Level	5 V
Voltage	5 V
Component Specifications	gt1020
Signal Type	5

Description

HMI GOT | Terminals | GOT Graphical Touch ; 3.7" STN/monochrome (White-Pink-Red);160x64 pixels, 5VDC
