

GT1030-HBL

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Mitsubishi |
| Catalog number | gt1030-hbl |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|---------------------------------|-------------|
| Voltage | 4.8 - 5.3 V |
| Signal Level | 25 V |
| Power | 1.1 W |
| Component Specifications | gt1030 |
| Signal Type | 25 |

Description

HMI GOT | Terminals | GOT 4.5"; STN/Mono Grafik-Touch (green-orange-red); 288x96 Pix.; RS422; 5VDC
