

GT1550-QLBD

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1550-qlbd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.98 kgs
Component Specifications	gt1550
Signal Type	24
Signal Level	24 V
Manufacturer	Mitsubishi

Description

HMI GOT | Terminals | GOT Graphical Touch terminal; 5.7" STN/16 Greyscales; 320x240 pixels
