

GT1585-STBD

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1585-stbd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Power	43 W
Component Specifications	gt1585
Temperature	65
Cable Specification	800 × 600
Memory/Storage	9 MB
Signal Type	24
Signal Level	24 V

Description

GT1585-STBD | Mitsubishi, GT1585 Series, Touch Screen HMI Display, TFT, 12.1 in, 800 x 600 dots, 2, RS232/USB 316 x 56 x 242 mm | Brand / Manufacturer: Mitsubishi | product type: Touch Screen HMI Display | series: GT1585 | display type: TFT | display size: 12.1 in | screen resolution: 800 x 600 dots | color number: 256 | number of ports: 2 | port type: RS232;USB
