

GT1662-VNBD

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1662-vnbd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	DC
Component Specifications	gt1662

Description

HMI GOT | Terminals | GOT Graphical Touch terminal; 8.4" TFT/16 col.;640x480 pixels, DC24V
