

GT1665M-STBA

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1665m-stba
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Voltage	AC
Component Specifications	gt1665m
Temperature	65

Description

HMI GOT | Terminals | GOT Graphical Touch terminal; 8,4" TFT/65536 col.-Display; 800x600 pix., AC230V
