

GT1672-VNBA

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1672-vnba
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	240 V
Signal Level	240 V
Relay Specifications	240 VAC
Power	38
Component Specifications	gt1672
Signal Type	240

Description

HMI GOT | Terminals | GOT Graphical Touch terminal; 10.4" TFT/16 col.;640x480 pixels, AC230V
