

GT1675-VNBD

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt1675-vnbd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	2.83 kgs
Voltage	DC
Component Specifications	gt1675
Temperature	4

Description

HMI GOT | Terminals | GOT Graphical Touch terminal; 10.4" TFT/256 col.;640x480 pixels, DC24V
