

GT2710-STBA-GF

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	gt2710-stba-gf
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Signal Type	240
Voltage	100 - 240 V
Frequency	50 - 60 Hz
Component Specifications	gt2710
Signal Level	240 V
Relay Specifications	240 VAC

Description

HMI GOT | Terminals | GOT2000;Bundle with GT2710-STBA and CC-Link IE Field unit GT15-J71GF13-T2
