

### MDS-B-CV-55

Industrial automation components

<b>Manufacturer</b>	Mitsubishi
<b>Catalog number</b>	mds-b-cv-55
<b>Category</b>	Industrial automation components
<b>Product type</b>	Industrial automation components
<b>Status</b>	Active product

### Technical specification

<b>Voltage</b>	AC
<b>Product Type</b>	Converter

### Description

The MDS-B-CV-55 is an AC voltage converter designed for industrial applications. Its robust construction ensures reliability in challenging operational conditions, as well as efficiency in signal conversion. Ideal for integration into automation systems, the MDS-B-CV-55 supports a variety of applications, providing stable operation and high signal quality.
