

MDSAD240-NF2SVE

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	mdsad240-nf2sve
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	4.54 kgs
Material Number	267402
Business Area Code	FK
Product Category	LVS
Pricing Group	FK - LVS
Product Name	MDSAD240-NF2SVE
Marketing Note [PL]	272.6
Class Code	100100903
Class Description	FA-MCCB: Electrical Option
Sub Product Line	MCCB
Product Hierarchy Code	IAN10202
Product Line	WS-V 1 - NF Acc.
Gross Weight (kg)	1.52
Gross Length (cm)	17.5
Gross Width (cm)	11.5
Gross Height (cm)	11.5
Customs Tariff Code	85362010
Country of Origin	JP
ABC Classification	A
Product Marketing Description	Electrical operation device. Motor AC 100-240V / DC 100-250V for NF W105

Description

LVS | MCCB Accessories | Electrical operation device. Motor AC 100-240V / DC 100-250V for NF W105
