

MR-J2-60B

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	mr-j2-60b
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.13 kgs
Signal Type	230
Relay Specifications	230 VAC
Voltage	230 V
Current	3.2 A
Frequency	50 - 60 Hz
Product Type	Drive
Signal Level	230 V

Description

MR-J2-60B | Brand / Manufacturer: MITSUBISHI
