

MR-PWS1CBL15M-A1-H

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	mr-pws1cbl15m-a1-h
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Cable Length	15 meters m
Cable Type	Servo Motor Power Cable
Compatible Servo Motors	HG-KR, HG-MR, HF-KP, HF-MP
Flexibility	High Flexibility
Ingress Protection Rating	IP65

Description

The Mitsubishi MR-PWS1CBL15M-A1-H is a 15-meter servo motor power cable designed for direct connection to Mitsubishi's HG-KR and HG-MR series servo motors, as well as HF-KP and HF-MP series. This high-flexibility cable is engineered to withstand rigorous bending cycles, ensuring durability in dynamic applications. It features an IP65 ingress protection rating, providing resistance against dust and water ingress, making it suitable for industrial environments where protection from contaminants is essential. The cable is equipped with a power connector lead-out, facilitating straightforward integration with compatible servo motors. This product is ideal for applications requiring reliable and flexible power connections in servo motor systems.
