

NF125-SV 2P 15A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nf125-sv-2p-15a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

LVS | MCCB | Circuit breaker 2pole. In = 15A; Icu = Ics = 25kA at AC 440V
