

NF250-SV 3P 125A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nf250-sv-3p-125a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

LVS | MCCB | Circuit breaker 3pole. In = 125A; Icu = Ics = 36kA at AC 440V
