

NF400-CW 3P 250A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nf400-cw-3p-250a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	250 A
Component Specifications	nf400
Signal Type	690
Relay Specifications	250 A
Voltage	690 V
Signal Level	690 V
