

NF400-UEW 4P 400A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nf400-uew-4p-400a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

LVS | MCCB | Circuit breaker 4pole. Ir = 200 - 400A; Icu = Ics = 200kA at AC 440V
