

NV125-SV 3P 100A 100-440V 1.2.500MA CE

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nv125-sv-3p-100a-100-440v-12500ma-ce
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.
