

NV125-SW 3P 80A 100-440V 30MA W CE A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nv125-sw-3p-80a-100-440v-30ma-w-ce-a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.
