

NV125-SW 4P 80A 200-440V 1.2.500MA W CE

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nv125-sw-4p-80a-200-440v-12500ma-w-ce
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.
