

NV250-SW 3P 250A 200-440V 100.200.500MA

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nv250-sw-3p-250a-200-440v-100200500ma
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.
