

NV32-SW 3P 25A 100-440V 1.2.500MA W CE A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	nv32-sw-3p-25a-100-440v-12500ma-w-ce-a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.
