

PS21564-SP

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	ps21564-sp
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Component Specifications	ps21564
Current	15 A
Product Type	Inverter
Signal Level	600 V
Relay Specifications	15 A

Description

PS21564-SP | Brand / Manufacturer: MITSUBISHI
