

QJ71E71

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	qj71e71
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.06 kgs
Voltage	5 V
Interface Type	ethernet
Product Type	Module
Industrial Safety	plc
Signal Type	5
Signal Level	5 V
Safety Level	plc

Description

QJ71E71 | Mitsubishi, Network Module MELSEC Q Series Programmable Controllers, 5 V dc, 0.50 A, 100 Mbit/s, EtherNet, 90 mm, 0.11 kg | Brand / Manufacturer: Mitsubishi | product type: Network Module | module type: Network Module | supply voltage: 5 V dc | current rating: 0.50 A | for use with: MELSEC Q Series Programmable Controllers | data transfer indicator: 100 Mbit/s | interface type: EtherNet | type of attachment: Base Mount | Size: 98 x 90 x 27.4 mm
