

QM300HA-24

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	qm300ha-24
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	300 A
Product Type	Module
Voltage	1200 V
Signal Level	1200 V

Description

QM300HA-24 | Brand / Manufacturer: MITSUBISHI
