

S-N21CX AC200V

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	s-n21cx-ac200v
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	22 A
Component Specifications	ac200v
Voltage	200 - 240 V
Interface Type	can
Product Type	Contactoꝛ
Signal Type	240
Signal Level	240 V
Relay Specifications	240 VAC
