

S-N50-COIL AC100V

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	s-n50-coil-ac100v
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	100 - 127 V
Signal Type	127
Signal Level	127 V
Frequency	50 - 60 Hz
Component Specifications	ac100v
Product Type	Contactator
Relay Specifications	127 VAC

Description

LVS | S-N Contactors | Magnetic coil. AC 100 ~127V 50/60Hz; for S-N50, 65
