

S-N50-COIL AC200V

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	s-n50-coil-ac200v
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	200 - 240 V
Signal Type	240
Signal Level	240 V
Frequency	50 - 60
Component Specifications	ac200v
Relay Specifications	240 VAC

Description

LVS | S-N Contactors | Magnetic coil. AC 200 ~ 240V 50/60Hz; for S-N50, 65
