

SL-2SV3L

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	sl-2sv3l
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Material Number	267521
Business Area Code	FK
Product Category	LVS
Pricing Group	FK - LVS
Product Name	SL-2SV3L
Marketing Note [PL]	18.33
Class Code	100100902
Class Description	FA-MCCB: Mechanical Option
Sub Product Line	MCCB
Product Hierarchy Code	IAN10202
Product Line	WS-V 1 - NF Acc.
Gross Weight (kg)	0.417
Gross Length (cm)	18
Gross Width (cm)	133
Gross Height (cm)	3
Customs Tariff Code	85362010
Country of Origin	JP
ABC Classification	C
Product Marketing Description	Solderless terminal. 14 - 95mm ² , for W105 3-polig.

Description

LVS | MCCB Accessories | Solderless terminal. 14 - 95mm², for W105 3-polig.
