

STL-W750-406

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	stl-w750-406
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

ST-Lite | ST-Lite | STLite 2-Channel Digital Input Module 120 V AC 2- to 4-conductor connection; high-side switching
