

STL-W750-494/000-001

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	stl-w750-494000-001
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

ST-Lite | ST-Lite | STlite 3-Phase Power Measurement Module, 5A 750-494/000-001
