

SW1DND-CWWLQ12-EVZ

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	sw1dnd-cwwlq12-evz
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Material Number	260883
Business Area Code	FR
Product Category	Software
Pricing Group	FR - Software
Product Name	SW1DND-CWWLQ12-EVZ
Marketing Note [PL]	459.36
Class Code	100101201
Class Description	FA-Software: Software PLC
Sub Product Line	SOFTWARE
Product Hierarchy Code	IAU83020
Product Line	C Controller
Gross Weight (kg)	0.078
Gross Length (cm)	22.5
Gross Width (cm)	16
Gross Height (cm)	2.5
Customs Tariff Code	85234910
Country of Origin	JP
ABC Classification	C
Product Marketing Description	CW Workbench; Engineering tool for Q12DCCPU-V; English; license update, w/o DVD

Description

Software | Others | Updated license product for Q12DCCPU-V
