

SW1DND-CWR-E

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	sw1dnd-cwr-e
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Material Number	290880
Business Area Code	FR
Product Category	Software
Pricing Group	FR - Software
Product Name	SW1DND-CWR-E
Marketing Note [PL]	1,818.30
Class Code	100101201
Class Description	FA-Software: Software PLC
Sub Product Line	SOFTWARE
Product Hierarchy Code	IAU83020
Product Line	C Controller
Gross Weight (kg)	0.092
Gross Length (cm)	22.5
Gross Width (cm)	16
Gross Height (cm)	3
Customs Tariff Code	85234910
Country of Origin	JP
ABC Classification	C
Product Marketing Description	CW Workbench; Engineering tool for R12CCPU-V, RD55UP06-V; English; DVD

Description

Software | Others | CW Workbench for R12CCPU-V
