

TCS-03CS2W

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	tcs-03cs2w
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Material Number	168088
Business Area Code	FW
Product Category	OTHERS
Pricing Group	FW - Key account pro
Product Name	TCS-03CS2W
Marketing Note [PL]	1.95
Class Code	100100902
Class Description	FA-MCCB: Mechanical Option
Sub Product Line	MCCB
Product Hierarchy Code	IAN190
Product Line	Key account MCCB
Gross Weight (kg)	0.01
Gross Length (cm)	5
Gross Width (cm)	3
Gross Height (cm)	2
Customs Tariff Code	85362010
Country of Origin	JP
ABC Classification	C
Product Marketing Description	Terminal cover - small for 2-poles NF/NV/MB 30AF

Description

Non standard items | LVS | Terminal cover - small for 2-poles NF/NV/MB 30AF
